<p>The drawing shows a rectangular incense burner with a curved front edge. The top view shows a width of 220 and a length of 350. The side view shows a thickness of 30. The front edge has a radius of 32. There are three circular holes on the top surface, with the top-right one labeled 'OR5'. Small triangles (△) are placed at the corners and along the edges, indicating areas to be polished. The finish specification is '△底場以外磨光' (Polish all areas except the bottom field).</p>
